

## **OLIVIA SADDLES UP FOR NATIONAL CHAMPIONSHIPS**

A top equestrian athlete from Harrogate Ladies' College is preparing for the National Schools Equestrian Association (NSEA) Championships.

Accomplished rider Olivia (Upper 5) and her horse Moussline jumped a perfect double clear round in the British Eventing 100 National School section, which was enough to secure her a place in the championship event.

Olivia's next event, the NSEA Championships, taking place in May 2012, will be her biggest test yet.

After being established for 20 years, the NSEA is a massive player in the equestrian world and is dedicated to promoting and encouraging equestrian sport in schools across the nation.

HLC Headmistress, Rhiannon Wilkinson, said: "We are so proud of Olivia for making it to the NSEA Championships. Her acceptance into the championship round demonstrates her skill as a young rider and we are all excited that she will be participating in such a high profile event."
