

## **Has the Monarchy abandoned us?**

### **Ours Monarchy's faults**

The decline of the monarchy has been buzzing around the news. There has been much talk about Prince Andrew and his "scandal" also his relationship with Jeffrey Epstein. Prince Harry and Megan Markle are leaving our monarchy and our country, is this wrong?

### **What Mr Massey thinks about Harry and Meghan**

Mr Massey thinks that Harry and Meghan have a very sad story because Prince Harry was under enormous emotional stress and people need to remember that he is a human as well. Mr Massey also thinks that the actions of Harry and Meghan increased the popularity of the monarchy in a positive way because people want to know what Harry is going to do next.

### **Our Monarchy's History**

For the last 103 years, the surname Windsor has promoted the monarchy. Is that all going to come to a bitter embarrassing end? We should be proud of our monarchy because not every country has one, we have done a vote to see who supports the Monarchy and who does not support the Monarchy, and here are our results:

68% of people in the Harrogate Ladies' College morning prep said that they do support the Monarchy and 32% of people in the morning prep said that they do not support the Monarchy.

### **The Queen still supports Harry and Meghan**

The Queen now welcomes Prince Harry and Meghan Markle back to England, they are now returning to England in March at Queen Elizabeth's request. This means that Harry and Meghan are due to make their final appearance as senior royals as they prepare to step away from their roles.
