WELCOME TO HIGHFIELD PREP SCHOOL

We aim to make the process of joining Highfield Prep School a very personal experience as we understand that every child and every family has individual needs. We hold a number of Open Mornings and Information Evenings throughout the year, which are a great way of having a first look at our school, however we do recommend that you follow this up with a personal visit.

A young boy with dark hair and glasses, wearing a white shirt and a dark tie with green and white stripes, is smiling and pointing towards the camera. He is holding a red sign with the text "I AM ME." in white, bold, sans-serif font. The background is a textured, light-colored wall.

**I AM
ME.**

How to Apply

Most children join us at the age of 4 into our Reception Classes. Children join us from a wide range of nursery and pre-school settings across Harrogate and the surrounding area, as well as from our own Highfield Pre-School. (Children from Highfield Pre-school and the siblings of current pupils are given priority places in our Reception classes).

We also have children who join us throughout the year in other year groups as families move into the area, or choose to move schools for other reasons.

Here's an overview of the process of applying to Highfield:

- › **Parent Visit:** We normally recommend a personal visit as a first step. This is a great way to start to understand Highfield and what makes us so unique.
- › **Registration:** Once you've visited, we'll normally ask you to complete a Registration Form to confirm that you would like to proceed with your application.
- › **Taster Experience:** As a next step, we typically like to invite your child to come in and spend some time with us. This might be a couple of hours, half a day or a full day, depending on the age of your child.
- › **Offer:** Once we've met your child, we'll aim to make an offer as soon as possible, usually within a week. (Reception Class offers will normally be made during the Autumn Term in the year prior to starting school).
- › **Acceptance:** To accept your place, we'll ask you to complete an Acceptance Form and return your deposit.
- › **Transition:** For Transition children in our Pre-School the transition process starts in the Spring Term when Reception staff spend time in the Transition Class. In the Summer Term children spend time in the Reception classroom and children joining our Reception Classes from other schools are also invited to join two transition morning sessions.

During the Summer Term we also hold a Welcome Supper for new parents joining all year groups and a Welcome Day to ensure that by the time you join us, you and your child will already feel part of our amazing Highfield community.

Ethos and Aims

We aim to develop a deep passion for learning and a love of life in all of our pupils. This ethos underpins everything we do and is at the heart of our school community.

We are a Christian foundation and our pupils are challenged to be the best that they can be, both inside and outside the classroom.

Curriculum

Reception

In Reception our curriculum is a continuation and completion of the Early Years Foundation Stage (EYFS) which begins in our Pre-School. The focus is on learning through play; we plan adult-led and child initiated activities around the individual interests, developmental stages and learning styles of the children. Learning is based around three prime areas of development (Personal, Social and Emotional Development; Communication and Language; and Physical Development) with an increased focus on the four specific areas: Literacy, Mathematics, Understanding the World, and Expressive Arts and Design.

Children throughout Highfield from Reception onwards also enjoy weekly French, Music and Drama lessons with specialist teachers and timetabled PE, including Swimming.

Key Stage 1

In Prep 1, children move on from the EYFS curriculum to the Key Stage 1 (KS1) curriculum. Key Stage 1 builds on the firm foundations of EYFS and we ensure it is a seamless transition for the children. As well as all of the academic progression and development, KS1 focuses on encouraging children to build independence through work and through play. There is an increasing focus on Reading, Writing, Phonics and practical based Maths activities as well as Topic based learning supported by a variety of day trips.

Key Stage 2

When a child enters Prep 3, they move into Key Stage 2 (KS2) where we seek to build upon the wonderful foundations that have been put in place in KS1. In KS2 we encourage greater independence and an ability to look after belongings. There are more specialist teachers at KS2 as well as lessons led by staff from Harrogate Ladies' College. KS2 children have many performance opportunities in Music and Drama and play competitive sports against other schools. All children from Prep 3 onwards experience residential trips as part of their growing independence and preparation for the next stage of their educational journey as they move on to senior school.
