University Destinations

At Harrogate Ladies' College we have an excellent track record of securing places at some of the UK's top Universities. The majority of our girls secure their first choice of university, a high percentage of which are Russell Group institutions.

We always encourage our pupils to be themselves and to choose the path, and therefore the course, that is right for them. The diversity of the subjects our girls go on to study is a real reflection of this and our overall ethos.

In 2020, almost 70% of our girls went on to study at the UK's top Russell Group universities.

“As an all-girls school we make it our business to encourage the girls to be bold and brave in their subject choices and to empower them to follow their own individual and unique path in the world.”

Sylvia Brett, Principal of Harrogate Ladies' College
