Introduction

This notice is to help you understand **how** and **why** we collect your personal information and **what** we do with that information. It also explains the decisions that you can make about your own information.

If you have any questions about this notice please talk to Mrs Parker, Deputy Head, Pastoral and Boarding.

What is "personal information"?

Personal information is information that the School holds about you and which identifies you.

This includes information such as your name, date of birth and address as well as things like exam results, medical details and behaviour records. We may also hold information such as your religion or ethnic group for the purposes of supporting you in School. CCTV, photos and video recordings of you are also personal information.

Our legal bases for using your information

This section contains information about the legal bases that we are relying on when handling your information.

The two tables below contain a general description of the different legal bases but we have also used a colour code system so that you can see which bases we are relying on for each of the purposes described at paragraphs 1 to 45 below.

Legitimate interests ("L")

This means that the School is using your information when this is necessary for the School's legitimate interests or someone else's legitimate interests. We won't rely on this basis when your interests and fundamental rights override our legitimate interests. Specifically, the School has a legitimate interest in:

- Providing you with an education and making sure that you are behaving properly.
- Complying with our agreement with your parents for you to be at the School.
- Looking after you, your classmates and our staff (e.g. your teachers).
- Keeping the school buildings safe.
- Making sure that the School is well managed and that we protect the School's reputation.
- Telling people about the School and what we do here e.g. we may use photographs of you in our prospectus, on our website or in our social media.
- Ensuring that all relevant legal obligations of the School are complied with (for example in relation to inspections).
- Using your information in connection with legal disputes.
- Improving the School e.g. if we want to raise money to build new buildings or to make sure that we are providing you and your classmates with a good schooling experience.

In addition, your personal information may be processed for the legitimate interests of others. For example, we may use information about you when investigating a complaint made by one of your fellow pupils.

Legal obligation ("LO")

The School might need to use your information in order to comply with a legal obligation, for example, to report a concern about your wellbeing to Children's Services. We will also have to disclose your

information to third parties such as the courts, the local authority or the police where legally obliged to do so.

Vital interests ("V")

In limited circumstances we may use your information to protect your vital interests or the vital interests of someone else (e.g. if you or they are seriously hurt).

Performance of a task carried out in the public interest (or carrying out public tasks) ("PI")

This applies where what we are doing is for the benefit of people generally. The following are examples of where this applies:

- providing you and others with an education;
- safeguarding and promoting your welfare and the welfare of your classmates;
- facilitating the efficient operation of the School; and
- ensuring that we comply with all of our legal obligations.

The School must also comply with an additional condition where it processes special categories of personal information. These special categories include: personal information revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, genetic information, biometric information, health information, and information about sex life or orientation.

Substantial public interest ("SPI")

The School is allowed to use special categories of personal information where doing so is necessary in the substantial public interest. This is similar to "public interest" in the table above. For example, the School will use information about your health to look after you. We may also use other types of special category personal data about you to provide you with an education, to look after you and your classmates or when the School is inspected.

Employment and social protection and social security law ("ESP")

There will be times when the School needs to use your information because we are an employer (e.g. we employ your teachers). Also the School will use your information to comply with social protection law (e.g. to look after you) and social security laws. Social protection law is concerned with preventing, managing, and overcoming situations that adversely affect people's wellbeing.

Vital interests

In limited circumstances we may use your information to protect your vital interests or the vital interests of someone else (e.g. if you or they are seriously hurt).

Legal claims ("LC")

We are allowed to use your information if this is necessary in relation to legal claims. For example, this allows us to share information with our legal advisors and insurers. This applies whenever sharing special category data is necessary in relation to legal claims.

Medical purposes ("MP")

This includes medical treatment and the management of healthcare services.

How and why does the School collect and use your personal information?

We set out below different ways in which we use personal information and where this personal information comes from. The letters highlighted in different colours below refer to the legal bases we are relying on. Please see the section above for an explanation.

17. If you are from another country, we have to make sure that you have the right to study in the UK. Sometimes the government will ask us to provide information as part of our reporting requirements. In addition to this we have a duty to provide information about you to UK Visas and Immigration who are part of the government - **LI, LO, PI, SPI**.
18. Depending on where you will go when you leave us we may provide your information to other schools, colleges and universities, UCAS or potential employers. For example, we may share information about your exam results and provide references - **LI, PI, SPI**.

This policy applies to all members of our school community, including boarders and those in our EYFS setting.

29. We may share some information with our insurance company to make sure that we have the insurance cover that we need - **LI, PI, SPI, LC**.
30. Parents who are based outside of the UK will sometimes appoint someone to act on their behalf during the admissions process (an overseas agent). If this applies to you, your parents may provide information to the overseas agent so that he or she can pass this on to the School. We will sometimes share information with the overseas agent, for example, we may send them the letter telling your parents that we are offering you a place so that they can pass this on to your parents - **LI**.
31. We will share your academic and (where fair) your behaviour records with your parents and/or education guardian and/or agents so they can support your schooling - **LI, PI, SPI**.
32. We will monitor your use of email, the internet and mobile electronic devices e.g. iPads when you are connected to the School network. This monitoring is sometimes carried out using computer software. In certain circumstances we may look at the content of your communications (e.g. emails and text messages). We monitor and look at your use of technology (e.g. your use of your phone) to check that you and your classmates are not misbehaving, at risk of harm or for other good reasons. If you would like more information about this you can read the Acceptable Use of ICT and E-Safety Policy or speak to Mrs Parker, Deputy Head Pastoral and Boarding - **LI, PI, SPI**.
33. We may use photographs or videos of you for the School's website and social media sites or prospectus to show prospective pupils what we do here and to advertise the School. We may continue to use these photographs and videos after you have left the School - **LI**.
34. Sometimes we use photographs and videos for teaching purposes, for example, to record a drama lesson - **LI**.

If you have concerns about us using photographs or videos of you please speak to Mrs Parker, Deputy Head Pastoral and Boarding.
35. We publish our sports fixtures and other news on the website and put articles and photographs in the local news to tell people about what we have been doing - **LI**.
36. We will allow the press to publish exam results with your name and grades. The information is published by name in alphabetical order. We will sometimes also include the subjects which you have taken. This information will also be published in the annual School Magazine. If you would prefer that we do not publish your results, please speak to Mrs Parker, Deputy Head Pastoral and Boarding or another teacher.
37. We publish our exam results statistics (e.g. what percentage of pupils obtained grades A*-B in different subjects) on the School website and in an exam results flyer. This will not include your name.
38. If you have done particularly well in your exams we may publicise this on the website, in the press and in other publications such as the School Magazine, prospectus and information sent to children who are thinking of joining the School. Before doing this, we would speak to you to ask for your permission.
39. If you are from another country and the School used an agent to introduce you and your parents to the School, we may share your exam results with the agent. We would ask your permission before doing this.

This policy applies to all members of our school community, including boarders and those in our EYFS setting.

40. We may keep details of your address when you leave so we can send you the School magazine and find out how you are getting on. We may also pass your details onto the alumni organisation which is called The Harrogate College Union. Further information on the alumni association can be obtained from the School Office - **LI**.
41. The School must make sure that our computer network is working well and is secure. This may involve information about you, for example, our anti-virus software might scan files containing information about you - **LI**.
42. Highfield and College are both part of the School. We may share information about you between Highfield and College and vice versa. For example, if you moved from Highfield to College then Highfield will have sent College information about you such as your test results – **LI**.
43. The School is part of a group of schools called Allied Schools. We may share information about you with the General Manager of Allied Schools in order to allow him to fulfil his/her responsibilities in ensuring the proper running of the School. For example, (s)he may attend certain meetings where School matters are discussed - **LI, PI, SPI**.
44. From time to time, we may use a third party to provide activities such as an external sports coach. We may share your information with them, for example, to tell them what sports you are good at - **LI, PI**.
45. We can keep information about you for a very long time or even indefinitely if we need this for historical, research or statistical purposes. For example, if we consider the information might be useful if someone wanted to write a book about the School - **LI**.

We will only share your information with other people and organisations when we have a good reason to do so. In exceptional circumstances we may need to share it more widely than we would normally.

We sometimes use contractors to handle personal information on our behalf. The following are examples:

- a. IT consultants who might access information about you when checking the security of our IT network; and
- b. we may third party "cloud computing" services to store some information rather than the information being stored on hard drives located on the School site.

If you have any questions about any of the above, please speak to Mrs Parker, Deputy Head Pastoral and Boarding.

Criminal offence information

In exceptional circumstances, we may use information about criminal convictions or offences. We will only do this where the law allows us to. This will usually be where such processing is necessary to carry out our obligations, to exercise our rights or to look after our pupils.

More than one basis

As you will see from the information above, in some cases we will rely on more than one basis for a particular use of your information. In addition, we may move from one of the legal bases listed above to another as circumstances change. For example, if we become really worried about your wellbeing, we may start to rely on "legal obligation" to share personal information with the local authority in addition to the other legal bases which are noted for looking after you.

Consent

We may ask for your consent to use your information in certain ways as an alternative to relying on any of the bases in the table above. For example, we may ask for your consent before taking or using some photographs and videos if the photograph or video is more intrusive and we cannot rely on legitimate interests. If we ask for your consent to use your personal information you can take back this consent at any time.

Any use of your information before you withdraw your consent remains valid. Please speak to Mrs Parker, Deputy Head Pastoral and Boarding if you would like to withdraw any consent that you have given.

Sending information to other countries

We may send your information to countries which do not have the same level of protection for personal information as there is in the UK. For example, we may store your information on cloud computer storage based overseas.

The European Commission has produced a list of countries which have adequate data protection rules. The list can be found here: https://ec.europa.eu/info/law/law-topic/data-protection/data-transfers-outside-eu/adequacy-protection-personal-data-non-eu-countries_en

If the country that we are sending your information to is not on the list, or is not a country within the EEA (which means the European Union, Liechtenstein, Norway and Iceland), then it might not have the same level of protection for personal information as there is in the UK.

If you require us to, we will provide you with details about the safeguards which we have in place outside of this privacy notice. If you have any questions about the safeguards that are in place, please contact the Director of Finance (Privacy Officer).

For how long do we keep your information?

We keep your information for as long as we need to in order to educate and look after you. We will keep some information after you have left the School, for example, so that we can find out what happened if you make a complaint.

In exceptional circumstances we may keep your information for a longer time than usual, but we would only do so if we had a good reason and only if we are allowed to do so under data protection law.

Please see the Information and Records Retention Policy for Pupils and Parents for more detailed information. This can be found on the School website at www.hlc.org.uk/privacy.

What decisions can you make about your information?

From 25 May 2018 you will be able to make various decisions about your information. Some of these are new rights whilst others build on your existing rights. Your rights are as follows:

- **Rectification:** if information the School holds about you is incorrect you can ask us to correct it.
- **Access:** you can also ask what information we hold about you and be provided with a copy. This is commonly known as making a subject access request. We will also give you extra information, such as why we use this information about you, where it came from and what types of people we have sent it to.
- **Deletion:** you can ask us to delete the information that we hold about you in certain circumstances. For example, where we no longer need the information.
- **Portability:** you can request the transfer of your information to you or to a third party in a format that can be read by computer in certain circumstances.

This policy applies to all members of our school community, including boarders and those in our EYFS setting.

- **Restriction:** our use of information about you may be restricted to simply storing it in some cases. For example, if you tell us that the information is inaccurate we can only use it for limited purposes while we check its accuracy.
- Object: you may object to us using your information where:
 - we are using it for direct marketing purposes (e.g. to send you the School magazine);
 - the legal basis on which we are relying is either legitimate interests or performance of a task carried out in the public interest. Please see the section "Our legal bases for using your information" above;
 - we are using it for historical or scientific research purposes or archiving purposes. For example, we may keep photographs of your class for historical reasons.
- Mrs Parker, Deputy Head Pastoral and Boarding can give you more information about your data protection rights.

Further information and guidance

This notice is to explain how we look after your personal information. Mrs Parker, Deputy Head Pastoral and Boarding can answer any questions which you might have.

Please speak to Mrs Parker, Deputy Head Pastoral and Boarding if:

- you would like to exercise any of your rights listed above; or
- you would like us to update the information we hold about you; or
- you would prefer that certain information is kept confidential.

Mrs Rebecca Henriksen, Director of Finance, is in charge of the School's data protection compliance. You can ask Mrs Parker, Deputy Head Pastoral and Boarding to speak to her or speak to her yourself. Alternatively, you can ask your parents to speak to us on your behalf if you prefer.

If you consider that we have not acted properly when using your personal information you can contact the Information Commissioner's Office: ico.org.uk
