Introduction

This notice is to help you understand **how** and **why** we collect personal information about you and **what** we do with that information. It also explains the decisions that you can make about your own information.

If you have any questions about this notice, please contact The Director of Finance (Privacy Officer).

What is "personal information"?

Personal information is information that identifies you as an individual and relates to you.

This includes your contact details, next of kin and financial information. We may also hold information such as your religion or ethnic group.

Our legal bases for using your information

This section contains information about the legal bases that we are relying on when handling your information.

The two tables below contain a general description of the different legal bases but we have also used a colour code system so that you can see which bases we are relying on for each of the purposes described at paragraphs 1 to 36 below.

Legitimate interests ("L")

This means that the School is using your information when this is necessary for the School's legitimate interests except when your interests and fundamental rights override our legitimate interests.

Specifically, the School has a legitimate interest in:

- providing educational services to your child and to other children;
- safeguarding and promoting the welfare of your child, other children and our employees;
- promoting the objects and interests of the School. This includes fundraising and using photographs of you at our school events in promotional material. It also includes making sure that we are able to enforce our rights against you, for example, so that we can contact you if unpaid school fees are due;
- keeping the school buildings safe;
- using your information in connection with legal disputes. For example, if you or your child bring a claim against the School;
- protecting the School's reputation;
- facilitating the efficient operation of the School; and
- ensuring that all relevant legal obligations of the School are complied with (for example in relation to inspections).

In addition, your personal information may be processed for the legitimate interests of others. For example, another school will have a legitimate interest in knowing if you have not paid school fees that are due to us.

Necessary for contract ("CT")

We will need to use your information in order to perform our obligations under our contract with you and for you to perform your obligations as well. For example, we need your name and contact details so that we can update you on your child's progress and so that we can contact you if there is a concern.

Legal obligation ("LO")

Where the School needs to use your information in order to comply with a legal obligation, for example to report a concern to Children's Services. We may also have to disclose your information to third parties such as the courts, the local authority or the police where legally obliged to do so.

Vital interests ("V")

In limited circumstances we may use your information to protect your vital interests or the vital interests of someone else (e.g. if you or they are seriously hurt).

Performance of a task carried out in the public interest (or carrying out public tasks) ("PI")

The following are examples of when we use your information to perform tasks in the public interest:

- providing your child with an education;
- safeguarding and promoting your welfare, your child's welfare and the welfare of other children;
- facilitating the efficient operation of the School; and
- ensuring that we comply with all of our legal obligations.

The School must also comply with an additional condition where it processes special categories of personal information. These special categories are as follows: personal information revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, trade union membership, genetic information, biometric information, health information, and information about sex life or orientation.

Substantial public interest ("SP")

The School is also allowed to use special categories of personal information where doing so is necessary in the substantial public interest. This is similar to "public interest" in the table above.

Social protection and social security laws

Also the School may use your information to comply with social protection law (e.g. to look after your child) and social security laws. Social protection law is concerned with preventing, managing, and overcoming situations that adversely affect people's wellbeing.

Vital interests ("V")

In limited circumstances we may use your information to protect your vital interests or the vital interests of someone else (e.g. if you or they are seriously hurt).

Legal claims ("LC")

We are allowed to use your information if this is necessary in relation to legal claims. For example, this allows us to share information with our legal advisors and insurers.

More than one basis

As you will see from this notice, in some cases we will rely on more than one basis above for a particular use of your information. In addition, we may move from one of the legal bases listed above to another as circumstances change. For example, as a safeguarding matter becomes more serious, we may start to rely on legal obligation to share personal information with the local authority in addition to the other legal bases which are noted for safeguarding purposes.

Consent

We may ask for your consent to use your information in certain ways as an alternative to relying on any of the bases in the table above. For example, we may ask for your consent before taking or using some photographs and videos if the photograph or video is more intrusive and we cannot rely on legitimate interests. If we ask for your consent to use your personal information you can take back this consent at any time. Any use of your information before you withdraw your consent remains valid. Please speak to the Director of Finance (Privacy Officer) if you would like to withdraw any consent given.

Sending information to other countries

In certain circumstances, we may send your information to countries which do not have the same level of protection for personal information as there is in the UK. For example, we may:

- store your information on cloud computer storage based overseas.

The European Commission has produced a list of countries which have adequate data protection rules. The list can be found here: https://ec.europa.eu/info/law/law-topic/data-protection/data-transfers-outside-eu/adequacy-protection-personal-data-non-eu-countries_en

If the country that we are sending your information to is not on the list, or is not a country within the EEA (which means the European Union, Liechtenstein, Norway and Iceland), then it might not have the same level of protection for personal information as there is in the UK.

If you require us to, we will provide you with details about the safeguards which we have in place outside of this privacy notice. If you have any questions about the safeguards that are in place, please contact the Director of Finance (Privacy Officer).

For how long do we keep your information?

We keep your information for as long as we need to in order to educate and look after your child. We will keep some information after your child has left the School, for example, so that we can find out what happened if you make a complaint.

In exceptional circumstances we may keep your information for a longer time than usual but we would only do so if we had a good reason and only if we are allowed to do so under data protection law.

Please see the Information and Records Retention Policy for Pupils and Parents for more detailed information. This can be found on the School website at www.hlc.org.uk/privacy.
