THE WHAT, WHERE, WHEN, WHO,
WITH AND HOW GUIDE TO
EXTRA-CURRICULAR ACTIVITIES

DEAR PARENTS AND PUPILS

The extra-curricular life of any school is very important and at Highfield, we aim for the children to have a rich and exciting list of clubs from which they can choose.

We encourage all children to try new skills and activities in order to enhance their sense of achievement and well-being.

In this booklet you will see an extensive range of opportunities which are offered both by the Highfield staff team and by outside providers. We are sure that there is something to suit every child from the variety of academic, sporting and creative options.

Please sign up for all unpaid activities (with the exception of any activity that is 'Invitation Only') by e-mailing the member of staff directly. For Paid clubs you should contact the teacher as directed in the booklet and a half term's notice of cancellation is also required in the same way.

We hope your children get great enjoyment from the clubs we have on offer at Highfield.

Michele Finnegan,
Deputy Head KS2

HIGHFIELD PREP SCHOOL EXTRA-CURRICULAR ACTIVITIES

Details of all extra-curricular activities with relevant charges, if applicable, are listed in this booklet.

REGISTRATION AND CANCELLATION

Unpaid Clubs

Places are allocated on a first come first served basis irrespective of whether your child has done the club before and staff will email a confirmation during the first week of term. **Please do not apply for more than one club at the same time on the same day, as this is taking the place away from someone else.**

Paid Clubs

Please contact the teacher as directed in the booklet. If you wish your child to stop a paid club, a **half term's notice** must be given by emailing the teacher in the same way.

Invitation Only Clubs

Invitation only clubs do not need to be signed up for.

Notes We run all year round and in all weathers. We go off site and experience many different routes around the local area. We aim to build up stamina and speed over the course of the year through distance runs (5k) and a variety of interval training, sprints and relays.

Although we welcome children of all running abilities, we would encourage children to be able to run for 1 mile at a steady pace (10 min/mile) without stopping, we can then build on this. A pair of running shoes is essential plus comfortable running clothes, not necessarily PE kit. Children are expected to carry any medication themselves, such as inhalers.
