

HIGHFIELD PRE-SCHOOL. ADMISSIONS INFORMATION 2023/24.

Where a Passion for Learning
and a Love of Life Begins

Boys and Girls 2-4 years

WELCOME TO HIGHFIELD PRE-SCHOOL

Highfield Pre-School is one of Harrogate's leading independent Nursery and Pre-School settings. Children are able to join us from the age of 2 and most will stay with us until they join Highfield Prep School at the age of 4.

ETHOS AND AIMS

We aim to develop a passion for learning and a love of life in all of our children. This ethos underpins everything we do and is at the heart of our pre-school community.

We are a Christian foundation and our children are challenged to be the best that they can be, both inside and outside the classroom.

Joining Highfield Pre-School

Children can join us at any point in the year subject to availability of places but we normally recommend applying for a place as early as possible to avoid disappointment. We also understand that children develop at different rates and so we don't set any specific development criteria for joining us.

The application process for Highfield Pre-School is less formal than that of the rest of Highfield and Harrogate Ladies' College and is based around the following stages:

- **Parental Visit:** We normally recommend a personal visit as a first step to give you the opportunity to view the facilities; meet members of staff and other children and get a feel of day to day life at Highfield Pre-School.
- **Registration:** Once you've visited, we'll ask you to complete a Registration Form and to indicate the sessions that you would like to attend.
- **Offer:** Once we've confirmed the availability of your chosen sessions, we'll send you an offer of a place for the sessions you have requested.
- **Acceptance:** To confirm that you would like to accept the place, we'll then ask you to return the Acceptance Form together with a deposit to secure your place.
- **Welcome Session:** Prior to joining, we'll invite you and your child to attend a Welcome Session, so that you and your child can spend some time settling in; meeting the staff and meeting the other children.

We hope that the process of applying to join Highfield Pre-School is as straightforward as possible, however if you have any questions please do contact our Admissions Team on 01423 537045 or email admissions@hlc.org.uk.

Curriculum

The curriculum at Highfield Pre-School is based on the Early Years Foundation Stage (EYFS). Learning through play is at the heart of the EYFS curriculum. We want our children to have fun and to love learning. The curriculum we teach is based on four key themes:

- A Unique Child. Every child is different and we plan the learning journey of each individual child to suit their needs and their own development. Each child is assigned a named key person who has a special responsibility for their all-round welfare and for their individual learning journey.
- Enabling Environments. Every single area of our school, both inside and outside, is designed to be creative, interesting and to stimulate learning.
- Positive Relationships. We aim to help our children to build positive relationships with their friends, families and our staff.
- Learning and Development. All of the activities the children enjoy at school are designed to encourage and enhance their learning and development.

Our curriculum is also based on the EYFS Areas of Development, initially focusing on three prime areas:

- Physical Development
- Communication and Language
- Personal, Social and Emotional

Staff also plan for specific areas of development: Literacy, Mathematics, Understanding the World and Expressive Arts and Design.

No two days are ever quite the same at Highfield Pre-School, but we do have a daily routine which mirrors that of the Highfield Prep School Reception Classes with adult-led activities focused around the beginnings of Literacy, Numeracy, PE, Outdoor Learning, Music and Baking. The children in Transition are also introduced to French through games, rhymes and songs.

Facilities

Highfield Pre-School occupies a large Victorian house on Duchy Road. Our buildings are adjacent to Harrogate Ladies' College and Highfield Prep School. Set within its own private grounds, our Pre-School has a unique home from home environment with excellent facilities designed to inspire and develop pre-school children. We also have a private car park right outside for safe, secure and convenient drop off and collection.

Nutrition & Medical Care

Our award winning Catering Team prepare all of our meals on-site using seasonal, free range, organic and locally sourced ingredients. Children enjoy a 2 course hot lunch every day served in the dedicated Dining Room at Highfield Pre-School. We cater for all dietary requirements such as vegetarian, vegan, halal, nut-free and gluten free.

We also have a dedicated on-site Wellness Centre with a full time qualified nursing team. As well as being on-hand to deal with the medical and healthcare needs of our children, our nursing team are also there for our parents. They work with parents to provide practical advice, guidance and support to help ensure the wellbeing of the children.

“The facilities are fantastic! The children have space to confidently play, (make a mess!) explore and learn. There is a lovely atmosphere and an endless supply of things to capture their imagination and interest.”

ISI Inspection Results Excellent in All Areas (2-18 years)

The independent ISI inspectors spent 3 days undertaking a detailed inspection of Highfield Pre-School and our associated prep school and senior school. The inspectors awarded us the highest possible rating of Excellent in All Areas from 2 to 18 years.

Here are some of the key findings of our Education Quality Inspection:

- › The quality of the pupils' academic and other achievements is EXCELLENT.
- › The quality of the pupils' personal development is EXCELLENT.
- › In EYFS, children enter the school with broadly average ability. By the end of Reception the majority exceed age-related expectations across the range of areas of development.
- › EYFS children develop their fine and gross motor skills as a result of well-planned learning with enjoyable and well-structured activities.
- › They develop a good pincer grip when using readily accessible writing materials, leading on to excellent progress in writing skills.
- › They use the independence of free play to enable more time to solve problems and challenges on their own.
