## University Destinations

At Harrogate Ladies' College we have an excellent track record of securing places at some of the UK's top Universities. The majority of our girls secure their first choice of university, a high percentage of which are Russell Group institutions.

We always encourage our pupils to be individuals, to have the confidence to be themselves and to follow the path that is right for them. The range and diversity of the subjects our girls go on to study at university is a reflection of this ethos.

**In 2023, 68% of our students gained places at Russell Group universities, including two places at Cambridge.**

**“Results place the school comfortably as the highest performing in the Harrogate area for both GCSE and A level.”**
