

DUCHY COLLEGE
HARROGATE

KEY STAGE 2

Enrichment

A special programme of events and activities delivered by
Duchy College (the new name of Harrogate Ladies' College from
September 2026) staff and designed specifically for children
attending local Primary and Prep Schools.

2026 PROGRAMME

We are delighted to introduce to you a programme of events and workshops that are specifically designed to help and support you in enriching the Key Stage 2 curriculum.

The Key Stage 2 Enrichment programme is open to all Key Stage 2 schools and pupils and we hope that you and your pupils will be able to take part!

Junior Orchestra Day

Tuesday 24 February, 9.30am - 4.30pm

Open to Year 4, 5 & 6 pupils

We'd love to invite you to join us for a day of learning new music and rehearsals, culminating in a wonderful concert for parents, teachers and invited guests. This will be a fantastic opportunity for budding young musicians who play orchestral strings, wind and brass from Grade 1 upwards to come together with pupils from other schools and celebrate the joy of orchestral music.

Pupils are welcome to attend as small groups or as individuals (with your permission). It is also possible for individual children to be dropped off and picked up by parents (with their consent). Regrettably, we are not able to accommodate guitars, percussionists or the recorder.

Junior Art Masterclass

Thursday 21 May, 9.30am - 12.00pm

Open to Year 5 pupils (maximum number of places is 12)

Our Head of Art, Sam Litherland, will be running this Junior Art Masterclass designed to inspire budding artists and help them to develop their life drawing skills. It will be a great opportunity for pupils with an emerging artistic talent or a strong passion for Art and it would particularly be helpful for pupils thinking about applying for an Art Scholarship in Year 7. Pupils are welcome to attend as individuals (with your permission) and given the small size of the masterclass group, they don't need to be accompanied by a member of staff.

U10 Mixed Football Tournament

Thursday 19 March, 9.30am - 1.00pm
Open to Year 5 mixed teams
 (7-a-side, maximum 4 boys per team)

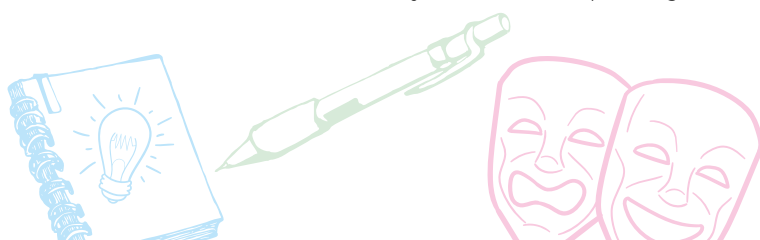

After the Lionesses inspired the nation in Summer 2025 with their Euros win and the Three Lions men's team gearing up for the 2026 World Cup, we're delighted to bring all football players together for our very first Mixed Football Tournament. We hope you will enter a team and join us for this new event. The tournament is designed to get pupils fired up and enthusiastic about playing in a competitive and inclusive environment - there'll also be a delicious post-match lunch!

Essay Writing Competition in association with Your Harrogate

Launch date Monday 9 March
Finalists' lunch Thursday 14 May
Open to all pupils in Years 3, 4 and 5

Our English Department will be once again launching an Essay Writing Competition for pupils in Year 3, 4 and 5. We'll be announcing the subject for the essay on the launch date in March. As well as linking to the KS2 English Curriculum the theme will also be designed to enable pupils to link their writing to other areas of the KS2 curriculum. All of the finalists and their guests will be invited to a special Finalists' Lunch on Thursday 14th May when the winners will be announced and the winning entries will be read aloud by some of our special guests.

Grease performed by Harrogate Ladies' College pupils

Monday 9 March, 12.30pm - 3.15pm
Open to all pupils in Year 5

Join us for a special matinee performance of this year's school production of Grease featuring a cast of pupils from Year 7 through to Year 13 and a live band who will bring this unforgettable musical to life! The show will feature iconic hit songs and dance routines as we follow the journey of Danny and Sandy as they navigate high school. *Please be aware that this is a schools' version of the production with language and content (such as alcohol and teenage pregnancy removed) however it does still feature mature themes around relationships.*

Junior CSI Day A Murder Most Horrid!

Thursday 18 June, 9.30am - 12.30pm
Open to all pupils in Year 5
 (maximum number of places 40)

An opportunity for budding scientists to join our Science Department and step into the shoes of real-life forensic scientists. They'll work together to explore clues and undertake scientific tests to uncover the mystery murderer. This hands-on adventure will be packed with fun activities to inspire future scientists, encourage teamwork and problem solving.

How to Book...

We hope you've seen some events and activities in this programme that you'd like your pupils to participate in. To book your places, or find out more please email **events@hlc.org.uk**, call our Events Team on **01423 537045** or visit our KS2 Enrichment web page to book online: **www.hlc.org.uk/ks2**

Please be aware that places on some of the events are limited so please contact us to book your places as soon as possible.

We look forward to seeing you and your pupils soon!

I AM ME.
